A message from the PRESIDENT...

Dear Junior League Members, Partners, and Friends,

Thank you for a wonderful League year! As we intentionally focused on our mission of developing the potential of women, promoting voluntarism, and improving our communities through the effective action and leadership of trained volunteers this year, we captured endless possibilities of redefining and challenging who **WE ARE**. The response of our members and community was overwhelming and truly inspiring.

WE ARE women improving our communities. Through our Signature Project, Stuff the Bus, we purchased \$80,000 of school supplies this year in addition to collecting over 40,000 school supply items through our community drive initiative! That means local kids were able to start the school year off right with all the tools they need for a quality education! Beep-beep!! We also partnered with programs such as the Brazos Valley Food Bank's Backpack program to make sure kids' bellies were full over the weekends, provided financial literacy in classrooms through Junior Achievement, and collaborated on sensory bags with Ready Flex. Plus, we invested \$20,000 into our community through our community-needs grants process to support other organizations such as the Girl Scouts, Amber Alert, and Hospice Brazos Valley.

Of course, all of our community impact was only made possible by our League's very generous supporters and sponsors. And this year, **WE ARE** fundraising record breakers! For our largest fundraising event of the year, we spent the evening in Havana for Charity Ball 2018 and danced the night away celebrating a tremendously successful night where we welcomed over 700 guests and raised over \$340k, which included exceeding our raffle goal for a whopping \$80,100 total in raffle ticket sales! Then, in March we filled The Expo with merchandise and attendees for our annual community-wide rummage sale, Bargain Blitz! Shoppers enjoyed hunting for good deals and treasures in the shopping bonanza and helped us raise over \$37,000! Thanks to our sponsors and members' fundraising efforts, the money we raised will help continue League's legacy of improving our community.

To me, it's easy to see what makes JLBCS special - the women of this organization. **WE ARE** united in our passion for service, leadership, and strengthening the well-being of Bryan-College Station's children and youth. **WE ARE** always there supporting each other and making our home a better place to live.

WE ARE THE JUNIOR LEAGUE.

It's been a true pleasure serving this organization. I especially want to thank my Executive Team and all of the League ladies who went above and beyond to make this year amazing. You are the true definition of women leaders, and I'm honored to know you.

From the bottom of my heart, thank you for allowing me this opportunity.

Yours in service, *Sarah Schlabaeh*

COMMUNITY ADVISORY COUNCIL

THE COMMUNITY ADVISORY COUNCIL (CAC) SERVES IN AN ADVISORY ROLE FOR JLBCS TO ENABLE THE ORGANIZATION TO MAXIMIZE ITS COMMUNITY IMPACT AND VOLUNTEER OPPORTUNITIES.

Members are well-respected leaders across the Bryan-College Station community who are chosen based on their specific life and work experiences. CAC meets periodically throughout the year to provide a forum for a wide range of topics. CAC members counsel and offer expertise to League members about how we are currently impacting the community, what specific needs are in the community, and how League could better meet those needs through community projects, marketing strategies, and financial opportunities.

WE ARE FOOD BANK

The Brazos Valley Food Bank began in 1985, striving for a hunger-free community by uniting our community to nourish neighbors in need. They promote education and understanding of hunger and inspire community involvement to help those who suffer food insecurity.

ABOUT THE BRAZOS VALLEY FOOD BANK BACKPACK PROGRAM

The Brazos Valley Food Bank Backpack Program works to address childhood hunger by providing food to children at risk of going hungry over the weekend. Through the Backpack Program, bags of food are provided to partner schools during the school year and youth programs over the summer. Every Friday, the Brazos Valley Food Bank's Backpack partners distribute bags of nutritious, shelf stable food to children in 6 counties (Brazos, Burleson, Grimes, Madison, Robertson and Washington) to ensure that they have access to food when school meals are unavailable. These backpacks provide children not only with needed nourishment, but also with self-confidence and a self-assured start to the school week.

Twice a month the ladies of Junior League meet at the Brazos Valley Food Bank to fill these backpacks with food for the children to take home. Over the course of a single school year, League members will stuff over 5,400 backpacks for children in need. In addition to assisting with the Backpack Program, our League also assists the Brazos Valley Food Bank with their two annual events, Feast of Caring (held in August) and KBTX's Food for Families Food Drive (held in December).

BRYAN BROADCASTING

WE ARE STUFF THE BUS

THE SIGNATURE PROJECT FOR THE JUNIOR LEAGUE OF BRYAN-COLLEGE STATION, INC.

A major initiative and the primary emphasis of Stuff the Bus is to provide school supplies to more than 16,000 school children in the Bryan

and College Station area school districts. JLBCS, along with its gracious community partners, has distributed school supplies to over 165,000 students since the project's inception in 2000. Stuff the Bus is organized and managed from start to finish by members of our League, and the membership donates more than 2,000 volunteer hours between June and August to ensure the success of this project. Beginning in August, Stuff the Bus boxes are placed at various locations around town and community members are encouraged to make school supply donations. This year we made a big change with the addition of multiple drive days at various locations around town instead of one large drive day, and we had an increase in the number of supplies donated in addition to positive feedback from League members and the community! After the Stuff the Bus boxes are collected, the donated supplies are then tallied, sorted, and donated to each of the school districts. The positive impact Stuff the Bus brings to our local school children is tremendous, and JLBCS is honored to work with a community that ensures the success of this most important initiative. Our most precious resource is our children. By supporting Stuff the Bus and donating school supplies to this project, you can help insure our local children and families have a successful school year.

2018 STUFF THE BUS IMPACT

In 2018, The Junior League of Bryan-College Station purchased \$80,000 worth of supplies for the Bryan Independent School District (BISD) and the College Station Independent School District (CSISD). Over our week long supply drive, we successfully brought in approximately 40,000 items, and over \$8,000 in monetary donations. These funds help us to continue supporting the project year after year.

WE ARE SPONSOR RELATIONS

The Junior League of Bryan-College Station, Inc. would like to recognize and thank all of the members of the 2018-2019 Sponsor Relations team who work to make sure League's financial partnership are developed, fostered

and grown. Not only does this group of determined women strive to make sure our corporate sponsors and individual donors understand the vision and mission of our League, but they also show them how these projects impact the children and families within our community.

The Sponsor Relations team works year round to help gather the resources and raise the funds needed to facilitate many of the JLBCS community projects like Stuff the Bus and Family Promise, while also raising sponsorship dollars through our two fundraising events: Charity Ball and Bargain Blitz. These fundraising dollars are used to carry out our vision statement: We will strengthen the well-being and future of Bryan-College Station's children and youth through the dedicated service of trained volunteers.

The entire Sponsor Relations team, along with all the members of JLBCS, would like to extend a BIG THANK YOU to all of our corporate sponsors and individual donors who helped make our events such a success this year. It is because of YOU that we are able to make an impact on our community, as well as help cultivate and grow the leadership skills of our League members. Thank you for your continued support!

WE ARE CHARITY BALL

CHARITY BALL is the **largest fundraiser** for our League and one of the most **prestigious fundraisers in our community.**

Raising over **\$2,000,000** over its 37-year history, Charity Ball allows us the opportunity to fund our remarkable community projects and develop the potential of many women in our community.

This year's Ball was held on Saturday, December 8 at The Hall of Champions at Kyle Field. Over 700 people attended the Havana themed black tie event. Guests were treated to a red carpet entrance, photos under the lights of Kyle Field, dinner, dancing, and live entertainment. "We are humbled by the attendance and generosity at this year's Charity Ball," said Sarah Schlabach, JLBCS President. "Our members worked incredibly hard to put together a fun evening, and we are extremely pleased with the amount of money we were able to raise to benefit the children and youth of Bryan-College Station. We are incredibly grateful to our sponsors, guests, and everyone who helped to make this evening possible."

Charity Ball is truly a League effort and a wonderful way to socialize, fundraise, celebrate our success, and support our

League's efforts to improve our community through volunteerism and leadership. All the efforts put into Charity Ball paid off, literally, with more than \$340,000 raised! We even exceeded our goal for raffle sales for an extraordinary four way convertible 9 carats diamond earring set which was generously donated by David Gardner's Jewelers & Gemologists. We are proud of this year's success which benefits the children and youth of our community. You can expect a glamorous night of dinner, dancing, fundraising, and live entertainment in the beautiful Hall of Champions at Kyle Field. We hope you'll join us for our next Charity Ball in December.

WE ARE BARGAIN BLITZ

**BARGAIN BLITZ
IS A TWO-DAY
RUMMAGE
SALE KNOWN
THROUGHOUT
THE
COMMUNITY
AS A BARGAIN
SHOPPER'S
PARADISE!**

At Bargain Blitz, shoppers can purchase a large variety of new and gently-used merchandise donated by local businesses, local community members, and Junior League members. Preview Party is held the Friday evening before the sale on Saturday. At Preview Party, attendees get a “sneak peek” at the merchandise and a chance to buy items at double the sticker price. The annual Bargain Blitz fundraiser doubles

as a service to the community and has contributed over \$400,000 to support our Mission of improving our community!

Members of the Bargain Blitz Committee spend months overseeing the collection, storage, pricing, and selling of Bargain Blitz merchandise. Bargain Blitz is held the first weekend of March each year at The Expo Center in Bryan.

WE ARE - EXCEEDING GOALS!

Preview Party Goal - **\$12,000**

Sale Day Goal - **\$18,000**

Actual - **\$17,880**

Actual - **\$20,687**

This year's Bargain Blitz saw a large number of people in attendance on both nights. We welcomed over 400 guests at our Preview Party on Friday night and 1,387 shoppers on Saturday. This year, we exceeded our expectations and were able to increase our sales from last year by over \$13,500! Overall, we raised over \$38,500 total that will go back into our community projects next year.

The preparation takes a lot of hard work, but in the end it is worth it when we see families going home with "new" items for their families. Whether it is a bicycle, a bed for a child who didn't have one

before, toys, a wedding dress, or stacks of books - we are grateful that we have the opportunity to help individuals find what they are searching for. We look forward to seeing our "regulars" each year, as well as all of the new faces. The Bargain Blitz committee (and many of our Blitz workers) recognize that this event is not only a fundraiser for our League, but it also serves as a community service. We hear every year of how a League member was touched in some way by the backstory of one (or more) of our shoppers. We hope you will join us next year to experience Bargain Blitz for yourself!

PROVISIONALS PROJECT

The 2018-2019 Provisionals Class decided to split their project between semesters. The fall semester Provisionals worked with their advisory groups to collect feminine hygiene products for tampon Tuesday and donated them the Brazos Valley Food Bank. This was done as a collaborative

effort, so no official counts/weights were taken. The group did a fantastic job! They even held a yoga class at The Green in Century Square on a Saturday morning in October and had four non-JL members show up, attend the class, and donate items!

The spring semester Provisionals were split into different groups that selected a local non-profit who aligned with Junior League's mission: serving women and children. They worked with the non-profits team to support their charity with what they need most.

DAVID GARDNER'S
JEWELERS & GEMOLOGISTS

EMILY HERREN, OF CHAMPAGNE & CHANEL,
COLLABORATED ON A CUSTOM BRACELET DESIGN WITH DAVID
GARDNER. HER VISION WAS A BRACELET THAT COULD BE
WORN EVERYDAY AND WITH SEVERAL PIECES SHE ALREADY
OWNED... RESULTING IN THE MIXED METAL AND DIAMOND
DESIGN! WE LOVED HAVING HER ALONG FOR EACH STEP OF
THE DESIGN PROCESS FROM THE DRAWING TO
COMPUTER-AIDED DESIGN EDITS TO COMPLETION!

"DESIGNING THIS BRACELET WITH THE
GARDNER'S WAS TRULY A DREAM COME TRUE."
